WINTER 2012 PROGRAM
GUIDE & MEMBER HANDBOOK

PARIS-BOURBON COUNTY YMCA

MESSAGE FROM THE DIRECTOR

A New Year is upon us and many people choose to make their New Year's resolutions at this time. Whether you make a resolution or not, remember to focus on the small things you can do to change your life and the lives of others.

Taking care of yourself assures you will be healthy enough to enjoy life's pleasures. Those pleasures include taking a walk in the snow, bending down to lift up your grandchild or something more adventuresome like running your first race.

The Y is here to help you with your goals and your resolutions. We are also here to help you with your spirit. We hope that when you walk into our Y you feel welcome and comfortable. You are part of our Y family.

On behalf of the Y staff, we wish you a happy and healthy 2012. Thank you for being part of the Y, and we look forward to serving you throughout the year.

Sincerely,

Cathy Boone
Executive Director

Our professional staff create an environment that promotes learning in the areas of art, science, math and literacy. Our center embraces early language development through our music program and Baby Signs (a sign language program). Preschool children participate in other weekly programs like swimming, library time, gymnastics and LEAP (Literacy, Eating and Activity for Primary) Children also have daily opportunities to express themselves creatively through play in our "center-based" classrooms. These programs foster positive and effective communication between children and adults.

We provide each child with a nutritious morning and afternoon snack, as well as a healthy lunch each day. Family involvement is a crucial part to each child's success in our preschool. Therefore, we keep parents informed with parent meetings, monthly newsletters and volunteer opportunities.

YMCA HERITAGE CLUB– Leave a Legacy

The Paris-Bourbon County YMCA's Heritage Club was established to increase the awareness of the endowment fund and to recognize those who have included the Y in their financial planning. The purpose of the endowment fund is to provide the Y with a stable financial base to carry out its mission today, while also allowing for growth in the future.

The YMCA Heritage Club consists of individuals who have demonstrated their long-term commitments to the Paris-Bourbon County YMCA through planned, charitable giving in the form of wills/bequests, charitable trusts or life insurance.

In addition to providing security for the future, contributed support is reinvested in our youth, serving as a source of scholarships, awarded annually to children participating in YMCA programs such as camp, after school child care and youth sports.

Please consider joining the growing number of Y friends whose dedication to youth is perpetuated through planned giving. To receive more information about joining the Heritage Club, please contact Cathy Boone, Executive Director at 859.987.1395 or cboone@parisbourbonymca.org.

ANNUAL GIVING CAMPAIGN

The Y makes accessible the support and opportunities that empower people and communities to learn, grow and thrive. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. That's why, at the Y, strengthening community is our cause.

Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. In 2011 the Paris-Bourbon County YMCA provided more than \$170,000 to ensure children, adults and families receive financial assistance toward memberships, services and programs. And since no one is turned away for their inability to pay, we ask that you help us continue this cause.
